MEMORANDUM OF INFORMAL PSB MEETING, March 5, 1953.**Place:** Mr. Stassen's Office.**Present:** Walter B. Smith
Roger M. Kyes
Allen W. Dulles
Harold E. Stassen
C. D. Jackson
George A. Morgan

1. Mr. Dulles gave an account of the progress of work on the problem of Communist indoctrination of U.S. prisoners of war, based on a report of the PSB Working Committee transmitted by me to Mr. Dulles under memorandum of March 5. The Board approved the Committee's recommendations subject to a reference to the use of motion pictures in Latin America to be inserted in the draft press release by Mr. C. D. Jackson.

2. General Smith said that the State Department would approve an Army airlift for Berlin refugees if HICOG states that it is necessary.

Mr. Jackson raised the question of raising more funds for the Berlin refugee emergency, perhaps in connection with Mayor Reuter's expected visit to this country. Mr. Stassen said that MSA funds for the second half of fiscal year 1953 would be made available by MSA to the German Federal Republic, and suggested that this might be announced at a time which would help Reuter.

3. The relationship of Mr. Jackson to the Board was discussed. As an interim arrangement, pending the outcome of the Jackson Committee's work, it was agreed, with Mr. Jackson's concurrence, that the following changes in the Board's Charter should be recommended:

- a. The Director for Mutual Security and the Special Assistant to the President (Mr. Jackson) to become members of the Board, the latter to be given the function of representing the Executive Office of the President and coordinating the work of the Board with departments and agencies of the Executive Branch which do not have membership on the Board but which may be concerned from time to time with psychological operations.

- b. The title of "Director" to be changed to "Staff Director".

In connection with the above, Mr. Stassen proposed that his Executive Office functions be transferred to the Special Assistant to the President.

4. In discussing with Mr. Jackson the scope of its function, the Board indicated that its work, while excluding actual performance of psychological operations, nevertheless does include general planning of them, as well as review and approval of more detailed operational plans developed by operating agencies for implementation. It was also pointed out that PSB plans could be produced and approved within a matter of hours on an emergency basis.

5. The significance of Stalin's probable death was discussed. Pursuant to NSC Action No. 728, it was agreed to set up a working party to draft a plan of operations. Mr. Dulles named Mr. Wisner; Mr. Kyes named Mr. Godel; General Smith told me to call Mr. Horsey with instructions for him to name a Russian specialist for the State Department. I was asked to act as chairman.

6. The question of a Defense member of the PSB Review Staff was discussed. With regard to MSA, Mr. Stassen said that General Roberts would be on call for Review Staff purposes if needed, but that he did not wish to have a regular representative on the Staff.

Acting Director.
